

I SPY WITH MY EYE... MEDIA!

Help find as many media messages as you can, sitting right where you are, right now.

From symbols and signage to tee shirts with slogans, media is everywhere, in the classroom or at home.

Check your favorite digital devices for privacy settings.
Are there any turned on that you thought were off?
Any that surprised you?

BEFORE YOU HAND OVER YOUR DATA...
WHETHER IT'S A GAME, APP, WEBSITE OR SCHOOL FORM, ASK YOURSELF:

Use this real time website privacy inspector to test some of your favorite sites and see how many trackers were found: <https://DigitalDogsBook.com/markup>
List some of your results below...then pair up with a partner and compare your data!
